Letter from the Principal

Dear Calvary Families and Friends,

Welcome to 2009 and in a few short weeks, our second semester! I hope that you and your family had a wonderful break and enjoyed time together. The teachers and staff at CCA are excited about the new year and we look forward to a prosperous and harmonious new year. We want to thank all our Calvary families for your patience, commitment and involvement - keep up the good work! I also want to thank our dedicated faculty for the wonderful job they are doing with our children and their incredible flexibility. As a school community we should pray for the strength of our teachers, offer our help, build them up and keep them encouraged.

The first semester grades for the middle and senior high school will be sent to home; these are valuable reports as we move into the work of our second semester. Do not hesitate to contact your son or daughter's teachers, adviser, or myself should you have any questions or concerns. Helping our students balance all they want to do with all they are expected to do, and do well, is challenging and requires our continued collaboration and communication as educators and parents.

We are gearing up for our next **Student Exhibition night on January 20th!** I look forward to seeing each and every one of you there; these are remarkable events where we can see what is happening in the CCA community as a whole and fellowship in Christian love.

Best Regards:
Courtney Torres, Principal
